

Exhibitions

Many of the exhibitions have printable entry forms available at www.exhibitionforms.com

The Photographic Society of America (PSA) supports a system of recognizing photo competitions for photographer's world-wide. In these pages are PSA-recognized exhibitions that have agreed to conform to the PSA Exhibition Standards (ES). A copy of the current ES may be found on the PSA Web site (www.psa-photo.org) under Competitions. The exhibitions are categorized by technique and subject interest with the most current closing dates in each category listed first.

How to Use the Exhibitions Listings

The following are the listings of upcoming PSA-recognized international exhibitions. The dates in bold type, under each division heading, are the closing dates for entries to that section of the exhibition.

The exhibition's name is outlined in CAPITAL letters. A contact person for entry forms and other information is incorporated and, if available, the e-mail address and website information. The entry fee is also included.

Only PSA members can apply their exhibition acceptances toward PSA Star Ratings, and only acceptances received in exhibitions listed in the *PSA Journal* are valid. Stars (colored metal tabs that can be attached to your PSA membership button) are awarded when you have attained a certain number of acceptances: each division has its own requirements. For these requirements, and other information, write to the appropriate Star Ratings director—names are listed by division under "Services for Individuals" in the quarterly "Services & Activities" section of the *PSA Journal* or www.psa-photo.org/competition. Updates to the PSA Star Ratings listings are published quarterly in the *PSA Journal*.

Every May the *PSA Journal* publishes "Who's Who," a listing of all exhibitors who have met or exceeded individual division acceptance requirements during the previous year.

PSA Recommendation

PSA encourages sponsors of international exhibitions to select the most qualified individuals for judges. The Society does not establish criteria for choosing judges, nor does it impose rules or standards regarding the quality or aesthetics of the photographs selected.

How to Have Your Exhibition Listed

If you'd like to have your exhibition listed on these pages, contact the exhibition standards director for each division that will be a part of your exhibition. The exhibition standards directors, who are listed under the division headings, recognize individual exhibitions and provide these listings.

Notice to Exhibitions

All exhibitions, including those in circuits, that are recognized for listing in the *PSA Journal*, and whose acceptances thereby become eligible for Star Ratings and Who's Who, will pay a fee of \$20 per section, per judging, to the appropriate division.

Sponsors who receive PSA recognition will be given a Best of Show gold medal for each section at no extra charge and may purchase additional medals and HM ribbons for the same section(s). Exhibitions that are recognized will be listed in the *PSA Journal* upon payment of the fee.
